

Safe Together

Safe Together is the message this fall as we continue to meet in person and virtually for Sunday Worship Gatherings. Our goal is to expand intentionally and thoughtfully our virtual, hybrid, and in-person gatherings.

Beginning Sunday, October 4, there will be two in-person services in the Worship Center, one at 9:00 am and another at 11:00 am. Virtual gatherings will continue this fall for both the contemporary and traditional worship services. We tentatively plan to launch a traditional in-person venue by the Advent Season.

During the 9:00 hour, family connect time will be offered where volunteer leaders will teach the love of Jesus to preschoolers. Following the 9:00 am service, elementary children can connect with leaders and peers to build relationships and reinforce online resources. This time will include an additional 20 minutes of family connection where parents can engage with each other and learn about additional resources for family rhythm. During the 11:00 hour, families can worship together in the service.

Please RSVP at coolspring.org for the service you plan to attend and, if interested, for the nursery, preschool, and family opportunities.

Adult Life Groups will continue to meet virtually. Some groups might adopt a hybrid approach, using in-person and virtual options for gathering. Our goal is to have everyone involved in a group. Life Groups are an intentional way to connect at Cool Spring.

Student Sunday Life Groups will adopt a hybrid approach, with options for in-person and virtual opportunities beginning on September 27. Wednesday Student Life Groups will begin meeting on campus on Wednesday, October 21. We will also offer a virtual option through the TRIB3 YouTube channel. Students can ZOOM in for group discussions.

We, at Cool Spring, take your family's health seriously. Safety protocols will always be in place as we create additional opportunities to gather safely. As always, if you have questions, please contact info@coolspring.org.
